**Self-check — Countermeasures, 5S, Mistake Proofing, Standard Work, and Kaizen**

Tick each item you have completed. Any blank is a gap to close before your group presents at the debrief.

| # | Criterion                                                             | Evidences | ✓ |
|---|-----------------------------------------------------------------------|-----------|---|
| 1 | Every countermeasure traces back to a proven root cause               | IMPROVE   |   |
| 2 | Countermeasures prioritised on an impact vs effort matrix             | IMPROVE   |   |
| 3 | 5S applied to at least two of the five S's for an information process | IMPROVE   |   |
| 4 | One poka-yoke designed that prevents rather than detects              | IMPROVE   |   |
| 5 | Standard work drafted so anyone could repeat the method               | IMPROVE   |   |
| 6 | A pilot or Kaizen event planned at small scale                        | IMPROVE   |   |

**Debrief check**

Every countermeasure traces back to a proven root cause, and your poka-yoke prevents rather than detects the error.
